Brice has sent up quotes from three vendors - Western Systems, Listen Up, and Paradise Village - for purchasing and installing the new equipment desired by JE for the main house movie room.

Could a vendor be selected now so that one can be locked in. This will allow Brice to request that the screen desired by JE can be ordered next week by the vendor selected so hopefully it will arrive and be ready for this December?

Brice has been told by Listen Up that the screen that JE wants needs to be ordered at this time to have in by December.

Brice has been told it will cost approximately between \$10,000 and \$13,000 by Listen Up and Paradise Village- line item listed in quotes attached.

Best regards,

Mark
