Title: Tom Ridge, Mayor Rudolph Giuliani and John Catsimatidis, October 28, 2013, Grand Hyatt Hotel

October 2013

Dear Dear Friend,

I hope you will consider joining us at this prestigious dinner hosted by former Homeland S Secretary, Governor Tom Ridge. The Federal Enforcement Homeland Security Foundation (FEHSF) is a non-pr (3) corporation formed to assist Federal Law Enforcement Agents and their families in their time of need. This the top law enforcement officials from all over the Country, from every branch of service... Secret Service, FBI, Security and more.

These men and women are on the front line everyday; protecting America from inside and outside our boarders.

People sleep peaceably in their beds at night
only because rough men stand ready to do violence on their behalf.

George Orwell

I have purchased a table and if you are able to join us, I will be sure we all sit together.

Sincerely,

John Catsimatidis
