What about massage, I'm sure you certainly have far better massage experts than me! I'm not good in doing it and not feeling comfortable. But still I have my big qualities that not every person has: my music and musical understanding. Music is my biggest strength and passion, it is everything to me and playing violin is best what I can do. Therefore, as my gratitude for your kindness and all good you have done for me I would like to share with you my violin music and musical knowledge.

Hello, Jeffrey, how are you? How is the musical part of your life? Do you get a chance to practice a bit of Debussy or maybe reading some of music theory?
I'm still not feeling well...yesterday it seemed to be already a bit better but today again I'm feeling worse...

Hope you are doing well and having a great time! By the way, when are you planning on coming back?
