Yes, tomorrow night i will be in the caribbean.. Im sorry to be right ,if it means you are in pain.
.. [REDACTED] [REDACTED] will come and help your physical health , when you are ready. She will
excercise massage and oversee nutrition. I would strongly suggest no accupuncture, and if you
would like , I could arrange a full health check up when you are next in the states. really
complete. You and I agreed the next ten years will bring many changes, you need to be at full
strength to deal with some of them.. No question that finding people that you can really rely on
and trust, is the key but fraught with peril. Board etc . I have over the past few days asked
myself the same question and cannot put my hand in the fire and bless even one for the moment.
You are too vulnerable to allow untested people too close. tricky. my first rule of friendship is
"do no harm." so it needs serious thought . take photos in china and send some. see you in jan
