I think you need time to really think about what you want, words are easy, your actions speak louder. I hoped we would be closer by this time. You attempt to make me feel guilty that you buy me food. , food. .? I am ready to come back when you are willing to take our relationship and your adult responsibilitys seriously
Until then I will miss you

I want to find a way to make you happy. Hopefully find a way back into your heart. But I will not pressure you. If you don't ties seriouslyshare my feelings I will understand.
