DeMilked - Artists Turns Everyday Objects Into Clever Illustrations

Artists Turns Everyday Objects Into Clever Illustrations

Posted: 30 Oct 2013 08:20 AM PDT

Ecuadorian art director Javier Perez has created a clever series of illustrations that turn everyday objects into cute drawings. His artwork makes us look at these everyday things differently with a more imaginative and playful perspective. See more of his work on [Instagram](#), [Behance](#), [Facebook](#) or [his website](#).
