Hi Jeffrey,

I have attached Gabriella's application she sent in today. She retook the SAT's last week and is waiting for those scores, but on her first time she got 710 for math for a total of 1920. She hopes to do alot better this time.

Her grades are good and she is taking the toughest Math course (college level Calc 2) and high level Spanish etc.

Thanks for your help on this.

Anthony
