Yes Sir I have,

Please see attached quotes originally sent up per your request.

They range from \$32k to \$57k. Paradise Village is a Mom and Pop company.
Western Systems and Listen Up are larger and have provided services to Zorro before..

However I wish to review again with updated quotes to include new projector and newest screen that have been requested today after your last response (for most accurate figures, which I will forward back up).

Best regards,

Mark
