Thank you Irma
You say the vessel was discharged on 09/22/13 and upon arrival was placed on a vacis hold. Can you please specify dispatch and arrival location.
Thank you

Hi [REDACTED],

Please note that vessel containing your shipment was discharged on the 9/22/13. Upon arrival, it was placed on a Vacis HOLD. The Hold was removed and released by Customs on 10/04/13. Now the USDA has placed it on an Agriculture HOLD until further notice.

Please note that due to Government shut down, we are experiencing delays. As soon as I have more information, I will advise you.

Regards
