Greetings Sir,

Chris is requesting permission to purchase via ABC Nursery (70) 7 gallon Purple bougainvillea to complete the Entry Basket area.

Cliff normally sells them for \$45 each retail, because of the quantity, he will sell them to you for \$29 each.

Ken at Cruzan Gardens sold you the bougainvillea 7 gallon for \$52.50 after the 30% discount.

The total landed on STT will be \$2,030 (70 plants @ \$29 each)

They would load and arrive with the other materials you ordered previously.

Is it okay to add these plants to the order?

Respectfully,

Daphne
