Subject: update

Hi,

I just wanted to give you an update since I did alot of trading today and I won't be sending the final position until later this evening.

I closed

1. 57 gbp call

95 usd put jpy call

5m of .94 aud call

5m of .82 nzd call

most all of gbp delta hedge outstanding (order to sell the rest put in overnight)

we do not pay any more or less to close out a partial position. Technically NZD and AUD look vulnerable so I left orders overnight in hopes to close the rest of aud and nzd options at better levels. USD rallied vs gbp and cad and slightly vs jpy and nzd today. I will send the update position later, but I didn't want to leave you without news.

Laurie
