Dear jeff

Apologies for my silence but, as you know, trips to Israel are rough and tough. I ended being ill all week end.

For Larry Summers: i agree with you that it s a good idea they set up an "advisory firm" through which he would have the freedom to get diffrent mandates from a wider range of clients. This is how i would also wish to work with him as the bank is not big and well-structured enough - yet -(but working to get there) .

Have you arrived ?

Best regards

Ariane
