happy to be a sounding board, though obviously i don't have all the facts .my negotiation strategy would be to Get the name ,but leave him his dignity. - I am totally aware of the fact that you are being pulled in many directions at the same time. You still need to be your own first priority , for many reasons.

1. who acts for you if you are temp incapacitated.?
- 2 who decides your health decisions
- 3 who is legally responsible for the girls decisions if something were to happen to both you and Benjamin,
- 4, who is responsible for the mgmt of funds, the legal decisions. the bank, each asset. the charity
- 5 Is your will up do date? who gets your personal things jewelry, paintings etc which girl gets what
- 6 I suggest giving them all some opportunity to choose a charity now. even for small amounts.
7. as your cousins will attack, I suggest some poison pills in co structure, maybe even structing change of control options now. maybe puts and calls on share swaps.

8 your personal trainer health person is ready when you are,
