some time finding korean massage. . I decided ,as i find it totally impossible to predict the causes and timing of your emotional outbursts , to not bring other girls -too risky . I can spend another couple of sleepless nights , because you might find something disturbing, . I asked that as you tell me that your prioirty is me and us what you have tried to learn, and you respond in another emotional cliff. " what should i have done? ". . It then reverts to me , being sorry i began the conversation at all.
