Greetings Sir,

Jimmy just called Anna and me. He is not going to be able to complete the enclosure of the 3 trees before you return next week.

We both told him that you are coming home in less than 7 days, and expected it to be completed.

He says he is very sorry, he is not only completely tied up and has no one to send this week, he is leaving and will not be back until Sunday.

The tilers are on site, and will complete up to the area that needs the slab finished to enclose the final 3 trees.

Respectfully,

Daphne
