A passionate argument on behalf of the middle class, INEQUALITY FOR ALL features Robert Reich- professor, best-selling author, and Clinton cabinet member-as he demonstrates how the widening income gap has a devastating impact on the American economy. The film is an intimate portrait of a man whose lifelong goal remains protecting those who are unable to protect themselves. Through his singular perspective, Reich explains how the massive consolidation of wealth by a precious few threatens the viability of the American workforce and the foundation of democracy itself. In this INCONVENIENT TRUTH for the economy, Reich uses humor and a wide array of facts to explain how the issue of economic inequality affects each and every one of us.

Runtime is 85 minutes
