try 20 .. lets see how he does. . explain that he should give us an estimate of how many hours per project. ottherwise it doesn't make sense as the longer it takes the more he makes for the same project.

Pokey said that he doesn't know how much to charge you for fixing, repairing or making each item, He would like to know if we can pay him a fair amount per hour for his time.

Would you like to pay him \$20hr. or \$25hr.?

Please advise,
Ann R.
