i asked him why it took 8 hours to install 2 imacs and he replied with explanation:
I set up 2 And installed the marantz
And got quotes for service
Jee has specific needs and large files
Jee has given me a task I did it
If he thinks thinks I did a bad job let me know

i did not respond to his explanation and he then sent email saying "tell JEE i quit"

attached is a promissory note dated 10/15 for your review
based on conversation today with barry and review of materials he sent there
should be 700,000 cash after sale and closing costs

i told him repayment of the note must occur as first priority and said if your were to lend
200k then net proceeds from sale must be paid from buyers attorney escrow
directly to darren escrow account

concern is that currently barry has an agreed upon price offer sheet only
mold and terminate inspections are just beginning - there is no signed contract yet..

please advise if we should proceed with loan
