**Subject:** Re: Zorro MiFi

Yes

On Thursday, September 12, 2013, Jermaine Ruan wrote:

Good day Boss,

I have been in consultation with both Scott Denett and Bella concerning the ordering of the new MiFi Hotspot for Zorro from ATT. They would like to try a model from Verizon before ordering the unit that was requested. Scott says the coverage map for New Mexico is better with Verizon than ATT. Does he have permission to proceed with Verizon as a test?

Respectfully submitted,

JRuan
