attached photo of damage to lodge deck roof
estimate to repair, \$2800.00

Existing roof was installed, March, 2007 after snow damage destroyed deck and roof
Roofing material has become brittle with age,
We have tried to refasten but panels keep cracking.
JJ proposes installing metal roofing around outside with skylight material in the middle
The metal roofing will help secure skylight material against wind damage.
1 week to repair.

can we proceed with repair before guest arrive on the 14th Oct.
