Thank you. It's been a whirlwind of a day. I can't believe the day is here after so many months of planning. It feels very surreal. It's sad not to have you here, but I understand. Thank you for giving me an amazing wedding. None of this would have happened without you. Can't wait to show you the pics and video! I would like to Skype with you before the ceremony. Where will you be?

I hope you have the most wonderful wedding . It breaks my heart not to be able to share the moment with you . I am risk averse and chose not to endanger in the slightest ,a very special day that you have looked forward to and have managed perfectly. My hugs and thoughts are there if not my body
