I will search for your reading assignment re money. give me a few days. Cooperative farming allows exchange of goods INSIDE the system . Inside a corp allows exchange of tasks , desks ideas . Inside your family, no income if the wife drives you today and you dirve her tomorrow. its only when the boundary (few exceptions). is crossed that the idea of money taxes and mess set in.I m spending today with Kahneman, Dennet and crew to review deception. Ill let you know how it goes
