Btw im thinking about possibly breaking up w Ben...not right this second. I have to see how this new guy matt is gonna turn out but even if it wouldnt work out , i realized my life is so boring w Ben. I learned a lot from him but i need to explore more and enjoy life. Be more social and learn about new things. Even if i would be single. Im not getting any younger...and I ve been always talking about Ben being boring so this is not smth that i just made up in my mind...
Well will see, u know me, i always change my mind and cant make a decision but i feel very motivated...its been pretty intense...:)))
