I thought you would find it amusing that a guy who sat next to me at [REDACTED] dinner tonight, and was flirting with me the whole evening said: 'I'm not seeing anyone, but I just went on a date with this girl and it turns out she knows [REDACTED]. Her name is [REDACTED].' He had no idea how quickly the chances of the evening ending well for him went to zero...I have to admit it was pretty funny.

PS: thanks again for the flight and hotel.
