Good Morning [REDACTED],

I hope you are doing well.
Do you need more information about Bin Ennakhil ?
Is your principal still interested in negotiating this property ?
Kindest regards

Marc, thank you.

My principal is in contact with her Highness, not a real estate agent. I am not sure the status of the other guest facilities. ie in construction, can be constructed, plans for construction?

Hi [REDACTED],

I am Christie's exclusive affiliate for Morocco with our internal branch ethics. The emir representative (Driss) is also acting as a real estate agent. But there we have a full exclusive marketing contract and this property has no added value for him.

Back to the property.

House is in move in condition. Maintenance staff is operating daily !

Technically, the property is still up to date.

The only default of this property is that it was thought and built for people with a reduced social live: not enough guest (6 - 4 are under renovation) and staff (6) rooms.

Since they intend to sell, the owners designed extension plans for offering all together 12 guest and 12 staff rooms within. Everything could be done within any trouble for the property owner in 3 or 4 months.

Kindest regards

Hi Marc,

We spoke to the emirs representaitve. His property has 45 acres of land with around 7 villas excluding the main palace. In addition to a golf course, horse stables, a 30 year old garden, and many many other facilities. The price you reported is also inaccurate. We have a strong relationship with Christies Real Estate.

Is the house in move in condition? besides landscape, what is the condition of the house. Where do staff currently live. garages? laundry, pantry, how many rooms . air conditioning - what type? cisterns?
