I am planning to go on Monday evening to Richard's. (He is letting my 8 year old daughter work with the Lemur's) [4 of us]

I found a charter, but if you wanted to come on Monday we could hang out all day and take off in the evening and I could arrange the charter back from Richard's on Tuesday.

But it is totally no sweat if that day doesn't work for you...

Did you see the Virgin test launch? <http://virg.in/wvg> ... Pretty amazing stuff.

Hi Jeff,

I hope all is going well?

Two questions.

Have you picked a date to come visit? I am looking forward to hosting you! Stay for the night!

Second, I was wondering if I could charter your helicopter? I was going to bring my

family (me + 3 young kids + au pair possibly) over to Richard's place for the night and I needed to find some local transport.

Greg
