Dear Jeffrey,

I checked the link and its a beautiful house.

However, the price is exorbitantly high, especially since its listed by Christie's, who have access to buyers at that level.

From my experience in Morocco and what I have seen, this should just be worth between 5-7 Million. In recent times, we have also seen properties being sold below market value, due to the situation in the region. Sometime back I had seen a similar property in Morocco, where they asked for 5 M.

50 M is definitely a crazy price.

Regards,

Jabor
