They didn't tell me... But it's probably just as well... I was pretty fried and wouldn't have been great company.

I'm absurdly tightly scheduled on this trip. You around at 9:00 tomorrow night?

Sorry for the glitch.

Hi Jeffrey...

There was obviously some mess-up on the timing of my visit today. Our plane was very late, and we didn't end up going to sleep until 2:30 last night.. and I had to wake up at 5:30 for a b'fast meeting. So, I was pretty drained by late afternoon, and faded fast after waiting around. (I see that somebody from NYC called right after I left, which I didn't hear -- we were walking down Lex and the street noise completely masked the ring... sorry if that was you or one of your people.)

I hope you are doing OK.
