Find contractor with experience

On Saturday, September 14, 2013, wrote:

I've played tennis at the Marriot in St thomas, they have a simple solution, its a concrete base floor, with indoor/outdoor Green Astroturf, same as used in indoor Football stadiums, the difference for Tennis and football is sub surface.

Tennis is hard clay or cement,.

Football has a padding under the astroturf.

Close?

Or rubber link system is used now for tennis courts, I'll fwd weblink.

Thx

Larry
