No problem , meet at richards, and do lunch st Bart next week if convenient .
Looking forward

Sent from my iPad

> Jeffery, here is the satilight photo
> Weather for tomorrow's heli flight to St Bart will be similar to todays weather, low visibility due to low pressure North of St Thomas, If the Low pressure continues to move North weather should improve,. Note the satight image below, there is a line of weather between St Thomas and Puerto Rico, which builds up in the afternoon, since its pushing down from the North due to the spiral movement of Low pressure.
