Subject: Advisory Opinion

Hi Jeffrey,

Heard that we were on the same path and that you think it is a good idea to move forward with an application for an Advisory Opinion. I would like to discuss it with you as I want to be sure to cover the specific issues you think we need to have opined on and also make sure we have done thorough background research before we submit the application. I think it would also be helpful to know who you spoke with at NYSDT and what they said.

Are you around sometime for a call today or Monday?

Thanks!

Ada Clapp
