Subject: Airport

Dear Mr. Epstein,

Tomorrow morning, Daphne and I thought it may be a good idea for me to meet with Roy Romney at Jet Center to introduce myself and establish a relationship.

So if you agree, I could accompany you to the airport, meet with Roy and then Daphne will take me to the office to start on the programming and mapping of the island.

Also, I was informed the ETD is 7:15. At which time shall I be at the main house to collect your luggage?

Thank you,

Ron
