Subject: Evas Tickled Pink Event - Friday 20th september

Eva has invited us to an event on Friday 20th September 8.30pm.
She says it is a table for 10 but if we dont fill it she will put other guests at the table.
On your calendar we have a **possibility of a Bill gates dinner** on this night.
Valdson will be in town to cook
Who should I put on the list for Evas event.
I dont need to go at all if I am needed at the house. Always you priority.
