many issues with the draft/ unlikely to get to it before monday. 1 no real penalty for non payment, 2 all clauses are not mutual. why? we discussed mutual releases not fair. 3.bill cannot assign obligations. 4 incoherent sentences such as ; final date of interest known???? on and on and on. sorry.

Attached is a marked up version of the first draft agreement you sent (as discussed).

I am available today and tomorrow to discuss.

This approach is preferred over the other we have discussed.

This can/will change once an entity is setup for Boris.

Thank you and talk soon... -- Larry
