We were discussing different time options because karyna and [REDACTED] have schools - first, the group wanted to meet tomorrow afternoon and Karyna could not because of her school . then it was suggested to do it tonight - then we decided to call you and ask.

Tonight was suggested at the last minute - I didn't have time to think and merely responded that I had an appointment with the tutor. We had not decided anything and were discussing options. I assumed we would have the meeting tomorrow and insisted on being present to learn and also to help translating.

I said I would be busy sometime on Wednesday at the ipi coordinating your schedule but I said nothing about charity.

work is the absolute priority for me and I will always put it first! I will think twice before giving answers to work related questions.
