Thanks very much for making it possible for bill to do the interview. Absolutely everyone thought it was the clear highlight of the day. Bill was absolutely first rate and gave people insights into his thinking process and personality that were eye opening to those in the audience.

I appreciated the chance to catch up this morning. I am not sure exactly what the best course might be for you to pursue. As you move further along in your thinking, if I can be of any help, please do not hesitate to let me know at any time. Best regards and thanks again.
