Hey, Cecile. Thanks for the update. First, I think it is important that we both confirm that any proposals made by either side are in the nature of settlement discussions and thus not admissible in any proceeding. I think that is true as a matter of law but would like confirmation that you and Jeffrey understand that to be the case. Can you send me confirmation?

Frank

Good morning Frank,  
I wanted to let you know that your arbitration suggestion is being considered along with a host of other avenues and to strongly urge you to make a firm proposal that addresses past issues which allows Andrew and Jeffrey to have some closure.

With warm regards,

Cecile
