John Brockman called to throw out an idea...he is wondering if your helicopter might have room to bring up Dan Kahneman and his wife, Ann Treisman...they were to drive up with his son Max in the morning but Max has a dental thing he must take care of. John has not mentioned this to Kahneman, he just thought he would run it by you first. Kahneman and wife can certainly go up with Max when he is done with his appt...John just thought you might like the time with Kahneman if it was possible...
