Subject: registration or not....

Hi Jeffrey,

I hope that you are well. The USD hardly reacted to John Kerry's presentation of the evidence of chemical weapons being used in Syria. The consequences of this sad and horrible tragedy seems to be discounted by the markets.

I will send a month end reval later this afternoon, but I wanted to write to let you know that it seems that I do not need to be registered as an investment advisor if I trade FX and FX options. One question they asked is whether STC has \$10m assets. Thank you for helping out with this, it may make a difference in my need to register.

Thank you very much. I look forward to catching up at your convenience.

With kind regards,

Laurie
