Below from Lawrence Krauss. I have reservations at the Phoenician and the Biltmore for youike...I will keep both and you can decide where you want to stay as the date approaches...(April 4-6, 2014)

Hi.. we have decided to go with the Phoenician Hotel, since the Biltmore seems a bit downmarket, and the Phoenician is a known quantity, the only 5 diamond resort nearby, and also has wonderful security.
