**Subject:** GIV final prebuy cost to Dennis

Jeffrey,

I was finalizing the numbers on the GIV prebuy inspection cost that impacted Dennis:

You gave me the goal of \$350k to complete prebuy on the GIV, since Dennis completed a 72month inspection with Gulfstream July 6th 2012 at a cost of \$537,194.70, I personally thought achieving the \$350k mark would have been a challenge, but we did it.

\$119,000.00 APU upgrade

\$213,878.23 PreBuy items found

\$ 38,386.69 Post closing items, which included Radio Tuning control head.

\$ 487.49 VIP cabin switch panel repairs

\$371,752.41 total cost to Dennis for preBuy on GIV
