attached estimate for stucco repair and painting at Larrys house.
the original estimate did not include the garage or trim
there are two options for garage work

- 1, just paint garage, including trim to match house color, \$2,200
2. stucco cracks and paint to match house, \$4,100.00

the garage does have hair line cracks in the front and south walls

do we have your approval to proceed and which option for garage
1 or 2
