Jeffrey

attached estimate for stucco repair and painting at Larrys house.

the original estimate did not include the garage or trim

there are two options for garage work

1. just paint garage, including trim to match house color, \$2,200
2. stucco cracks and paint to match house, \$4,100.00

the garage does have hair line cracks in the front and south walls

do we have your approval to proceed and which option for garage
1 or 2
