larry Bill,

I have strongly urged Boris not to hire a law firm (yet ) to review the document you sent. I firmly believe that the sensitivity of the issues, require both extra care and caution. that being said, I reviewed it , and only with my limited legal skills it is clearly legally flawed, one sided, unworkable, onerous and ambiguous. seperate from that ..... I assume this was a cut and paste from some past agreements. As neither Boris nor I surprisingly have not heard from Bill, I will wait until thurs to go into details.
