So sorry I think I emailed you that by mistake. That was meant for the hospital purchasing manager. But coincidentally we were just about to send Jeffrey an update. Expect that should go out later this week.

Hello Jess...

I passed on your below email to Jeffrey and he responded with the below:

"where are we with our research"

Might you be able to provide some information for Jeffrey?

Thank you,

Lesley

I've been using this dermabond substitute called

derma+flex QS and I like it very much. It's much cheaper than Dermabond and I think it is better. Just thought you'd be interested in knowing.
