11th or 12th should be OK – but please do not postpone much more.

The whole process is very long (normally 6-9months) and we are trying to accelerate.

Thus even if only one person from IPI can attend it (Andrea or Terje), I would rather make it sooner and move it forward than to wait.

In the meat time, it would be great if you ask them what could you do in a mean time – prepare the proposal on their form, provide any other info etc.

Also perhaps you could go through any additional round of revisions if needed – before a meeting.

Best of luck!

Boris
