Even after a meeting with Bill- there was NO interest to invest into Foundation Medicine – it was me pushing forward with both KPBC and Bill (see below – where the official follow up was NO follow up).

Thank you Lila!

Just a small correction – CTC discussion with Risa relates to Foundation Medicine.

As well as to a small company that I would like to discuss with Risa.

I followed up re Trius and extensive negotiation are under way.

All the best

Boris

I know I'm being redundant, but a sincere thank you for all of your great partnering.

Best,

Lila.
