How Do I Take Laminine.doc

Hello wonderful man!

It was soooo good to see you when I was in NY. Thank you for being so sweet with [REDACTED].

What results are you noticing on the Laminine? Please let me know.
I am including the protocol sheet again, so that you can have some lovely lady read it to you as she works on your feet and you can make sure you are still taking it properly. :))
Love, [REDACTED]
