did you send me a response. ? I had asked what do you want. specifically. . you talked about evidence of money over living and money in slovakia. and documents . ? have you made any money,? you believe that you don't have to work and earn money. your understanding is not rational , and contradicts emails for years. I am not sure what it is you are asking for now. 100k , and then we are done? does this mean you made 100 elsewhere. ? your email is not comprehensible and your request i assume is based on your claim that this is one way.
