Greg,

Thanks for the introduction. Jermaine; hope all is well. I am off island this week, but would like to meet you in person when I return the week of the 22nd. When you have a chance, if you will please let me know what your bandwidth needs are. I am pretty sure we will be able to accommodate you.

Thanks

Tony,

I would like to introduce you to Jermaine who runs the connectivity for the

island. Jermaine is pretty well versed in the connection locations for the island and I think you will enjoy meeting him if you haven't already. I think he is also looking at 30 or 50mbps if it is possible?

Thanks!

Please reach out to me with any updates or questions.

Greg
